REACH 253 Statement of Conformance

Issue 11-2026

REACH Information
according to Regulation (EC) No. 1907/2006 (REACH); Article 33

BREL International delivers non-chemical products only.
These contain no substances which are intended to be released under normal or reasonably foreseeable conditions of use according to REACH Article 7(1).

a) BREL International confirms hereby that our products do not contain any of the restricted substances listed in REACH Article 67 and Annex XVII according to the listed use cases.
List of restricted substances: https://echa.europa.eu/de/substances-restricted-under-reach
(Entry 1 to 78 as updated on December 10th, 2025)

b) BREL International confirms that our products do not contain any of the substances listed in the authorisation list in Annex XIV of REACH.
Authorisation list: https://echa.europa.eu/de/authorisation-list
(Entry 1 bis 59 as updated on November 01st, 2023)

c) BREL International confirms that our products contain none of the substances of very high concern, which are listed in the present candidate list of the European Chemicals Agency (ECHA) according to REACH Article 59 (10), above a concentration of 0,1% by weight of the whole component with the following exemption.

Exemption:

Lead (CAS 7439-92-1) corresponding to 2011/65/EU RoHS Annex III exemption 7a in leaded resistors (HVx[3], GST) as high melting temperature type solder

Lead Borosilicate Glass-Frit (CAS 65997-18-4; not REACH relevant) corresponding to 2011/65/EU RoHS Annex III exemption 7c-I in SMD (series CHx[1], CRx[2], CBW) and leaded resistors (series HVx[3], GST)

During normal usage there is no contact and no exposure of this material to humans.

Candidate list of substances: https://echa.europa.eu/candidate-list-table
(253 Substances as updated on February 4th, 2026)
