BREL INTERNATIONAL

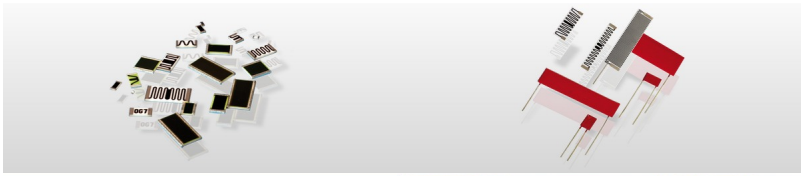

PASSIVE SPECIALISTS

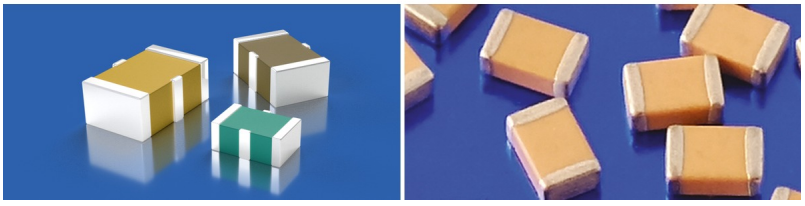

R/L/C– Resistors, Inductors, Capacitors

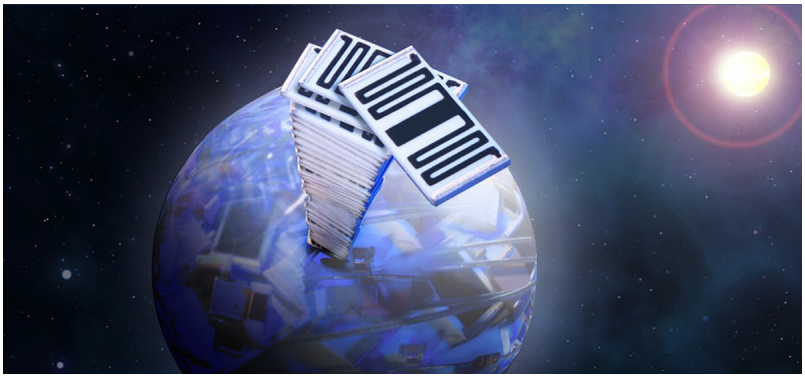

Developing Innovative Solutions With Our Customers

- High Resistance – 10 Teraohm ($1x10^{13}$) ..... NO PROBLEM!
- Close Tolerances – ±0.025%, 5ppm/C ..... NO PROBLEM!
- Small Sizes – 0202 (Bondable), 0302 (Solderable)..... NO PROBLEM!

Specialty Components

- Non-magnetic Chip Resistors
- High Value Chip Resistors
- High Voltage Resistors
- Power Chip Resistors
- Thinfilm Chip Resistors and Resistor Networks
- Miniature Chip Coils
- Multilayer Ceramic Chip Capacitors
- Non-magnetic Chip Capacitors

Standard Components

- Aluminum Electrolytic Capacitors
- Plastic Film Capacitors
- Ceramic– Disc & Multi-Layer
- Resistors– Film & Wirewound
- Thick Film Resistor Networks and Chip Resistors
- Switches– DIP, Slide
- Jacks & Plugs
- Cables & Connectors
- Semiconductor Products
- Potentiometers
- Crystal Products
